

## **Programs that Drive You Crazy**

**I recently came across a gem of web content. It describes, by functional category, various proprietary programs and their Open Source alternatives.**

**Included are operating systems, browsers, office suites, graphics, various tools, etc.**

**I judge this site worthy of a detour to visit it:**

## **The Top 50 Proprietary Programs that Drive You Crazy — and Their Open Source Alternatives**

<http://whdb.com/2008/the-top-50-proprietary-programs-that-drive-you-crazy-and-their-open-source-alternatives/>
