

RTPnet Membership as an individual, commercial business, or nonprofit organization

RTPnet is a nonprofit organization serving other nonprofits. We operate to provide services that benefit both organizations and the public at large. Most of our revenue comes from fees paid by nonprofits for whom we provide hosting and email services. But support from individuals, businesses and other nonprofits allows us to expand the range of our service. We invite you to join the RTPnet family.

To become a Member of RTPnet, simply make a donation of at least \$25 to RTPnet in one of these convenient ways.

If your gift is at least \$25, please let us know if you prefer not to be listed on our Members Page
